It has been said that the highest form of prayer is praise. God wants to hear our voices (even if you think you cannot sing). You can lift your voice and give thanks and praise to God. We have so many blessing from God that we cannot even count them.

Listen to “Capp’s Chapel” with Annette Capps each weekday at 10:00 am. Your faith will be strengthened. Be sure and contact the various ministries that are on the air with us. It is especially important to let them know that you listen! Go to our web page and find the information for ways to contact them.

Mission: To bring principles for Kingdom living to our listeners. We desire to exalt the Savior, evangelize, equip, educate, edify, expose evil, and for people’s lives to be transformed by the Word of God.

October means summer is over along with the exceptionally hot summer. **THAT'S ONE THING TO BE THANKFUL FOR.**

We are seeing much Halloween junk that has been put up. Some go "all out" with huge skeletons and the celebration of death. A house near ours has what is supposedly a large cemetery with numerous "spooky" things on their lawn. So many people do not realize that their images and demonic decorations are invitations to the real devil to come on in. This is not a joke, or an over-reaction. It's the truth. (See Exodus 23:24, Exodus 34:13, Numbers 33:52, Deut. 4:16, 23, 25-26, Deut. 7:25-26, Deut. 16:22, 2 Kings 10:25-26, Psalm 97:7 and more)

People will say, "They don't mean anything by it." When you put up a similitude of Jesus and wise men in December, do you "mean nothing by it"? OF COURSE, the images mean something. We have many pictures in our houses and cell phones that mean something. Evil images "INVITE" something you really don't want. **HERE'S ANOTHER THING I'M THANKFUL FOR – I RECOGNIZE THE VALUE OF PROPER IMAGES AND THE DANGER OF IMAGES THAT PLEASE THE DEVIL.**

"Thanksgiving" is coming. I've mentioned here things for which I am thankful. I could write more, but I want to give thanks in particular for one more thing. **I'M VERY THANKFUL TO GOD FOR PEOPLE THAT HAVE GIVEN, AND WHO CONTINUE TO GIVE SUPPORT TO THIS MINISTRY.**

Radio is different these days than it was in times past. People have all kinds of things they listen to (or watch) to get information and inspiring programs, music, and sermons nowadays. Many great preachers have quit doing radio altogether. Others stay on if they can be free of charge for their program or pay a small percentage of what used to be the cost. Some of the programs we air **free of charge** to the ministry producing it are "Issues In Education," "Keith Moore," "Love Worth Finding – Adrian Rogers," "Flashpoint," "Point of View," "Southwest Radio Church," "Gospel Greats" (in fact, we actually pay them for that program), "Washington Watch" with Tony Perkins, "Truth and Liberty" from Andrew Wommack Ministries, and "Homecoming Radio".

In addition, we recently cut Cherrie Campbell's cost in half to keep her on. We completely cut all charge for "The American Pastor's Network" program and had to reduce the cost by 40% to keep Focus on the Family temporarily. They plan to call again and decide whether they require further reduction.

These days, the Lord OUR PROVIDER uses individual people more than anything to keep traditional radio like Kingdom Keys going. I estimate that about 75% of the funds to keep this ministry going come through individual listeners/partners. **I JUST WANTED TO SAY THANK YOU PUBLICLY FOR YOUR OFFERINGS AND SUPPORT.**
